Year 6 – Crafts

Our Year 6 Enterprise Club have been very busy creating a number of Christmas Crafts and cards over the last 10 weeks.

The goal for this creative enterprise is to raise funds that will be put towards a defibrillator for the school.

The children have worked in small teams, creating their own ideas for wonderful creations that will be appealing to a wide range of customers.

They've learnt about the careful use of materials, the importance of avoiding waste, as well as applying a strong recycle/reuse ethos throughout.

Our Enterprise Club goal for the year is to raise £800, and we hope our Christmas Crafts will be a great start to reaching this goal!

Year 6 SATs

Message from the Standard and Testing Agency about Year 6 SATs timetable change.

An additional bank holiday in honour of the Coronation of His Majesty King Charles III will take place on Monday 8 May 2023. As this date had previously been announced as the first day of the 2023 key stage 2 (KS2) test week in England, a change to the KS2 test schedule next year will be necessary.

Ministers have considered the situation carefully and have decided that KS2 tests will take place in the same week with tests following the usual order but each taking place one day later than originally planned. As such, the new schedule will be:

- Tuesday 9 May: English grammar, punctuation and spelling (GPS) papers 1 (questions) and 2 (spelling)
- Wednesday 10 May: English reading paper
- Thursday 11 May: mathematics papers 1 (arithmetic) and 2 (reasoning)
- Friday 12 May: mathematics paper 3 (reasoning)

The KS2 timetable variation (TTV) window for each assessment will also move back one day, in accordance with this change.

There will be no changes to arrangements for our other assessments, including KS2 teacher assessments, key stage 1 tests and teacher assessments, the phonics screening check and the multiplication tables check. Dates and deadlines for these assessments remain as previously announced.

Attendance

Mawnan CE VA Primary School is a happy and successful school and every child plays a part in making it so. We aim to create an environment that encourages and enables all members of our school community to achieve their full potential. In order to make the most of the learning opportunities provided within school, pupils need to have the continuity of provision that consistent attendance allows. **We consider regular attendance to be 98% or above.** Any absence affects the pattern of a child's schooling and regular absence will seriously affect their learning. It is very important that you make sure that your child attends regularly and this policy sets out how we will achieve this together.

We do understand there are times when children will need to be absent from school for a number of reasons. As a result, we will only consider authorising absences in the following instances:

- For sickness or ill health
- For medical consultant appointments which fall during school hours
- For religious or cultural observances
- For a family emergency

If your child is absent, please phone or email the school by 9:00am on the first day of absence and provide us with the reason for their absence. The school is obliged to keep a record of absences and these are recorded on your child's report. Unauthorised absence and persistent lateness must be reported to the Local Authority's Attendance and Welfare Officer for further support and action.

There have been amendments to the Education Regulations (Pupil Registration 2006) act. These amendments remove reference to family holiday and extended leave as well as the statutory threshold of ten school days. The amendments make clear that head teachers may not grant any leave of absence during term time unless there are exceptional circumstances.

Whilst we understand that some absences may include times when your child is ill or attending appointments, (preferably out of school time) it is important that we all work together to try to ensure that your child has the best possible chance of success whilst at school.

If you decide to still take your child out of school, without permission, you will be committing an offence under the Education Act 1996. We may refer the matter to Cornwall Council who may decide to take legal action against you. A penalty notice can be issued under Section 444A and 444B of the Education Act 1996. This carries a fine per child, per parent, of £60 if paid within 21 days or £120 if paid after this but within 28 days. Failure to pay the penalty notice may result in Court action. Persistent absences not authorised by the school may result in a prosecution in the Magistrates Court, leading to fines up to £2,500 and / or custodial sentences. The Council may also apply for the costs incurred in taking the matter to court.

Family holidays during term time will not normally be authorised. No flights or travel arrangements should be booked until the absence has been discussed with the Headteacher. Under current legislation parent/carers taking their child on an unauthorised holiday in term time could be subject to a fixed penalty fine. This is something we would like to avoid happening.
