## Adventure Playground

We are delighted that the installation of the new play equipment on the adventure playground is now complete.

**Thank you** again to Tim Lugg for generously completing all of the groundwork and the **thank you** to our PTA for funding the replacement of the bark.

We now have 25 cubic metres of replacement bark and we will need some help spreading it around the bark pit. If you are able to help with this task please let Miss Pridmore know. Your help would be greatly appreciated.

Have wonderful weekend,

*Miss Pridmore*

## COVID

COVID cases in Cornwall continue to rise.

We want our community to be safe and not to have the upset and inconvenience of having to isolate.

Please ensure that you follow our guidance:

- If your child or anyone in your household is displaying symptoms or awaiting the outcome of a test, do not come to school - you must **self-isolate the whole household** during this time. Please note that the symptoms of the new variants vary and in many of the recent confirmed cases there has been a runny nose and a scratchy throat.
- Please make use of the **lateral flow tests**.
- Do not use a rapid lateral flow test if you have COVID-19 symptoms. Get a PCR test and self-isolate.
- Maintain a **2 metre** distance from other families and staff whilst at school
- **Wear face coverings** if you are unable to maintain a 2 metre distance
  - Do not come into the school building
  - Arrive at the correct staggered time for drop off and pick-ups (only one parent to drop off)
  - **Swiftly exit** the school grounds
  - Do not gather in groups
  - Keep the one-way system clear so everyone is able to safely enter and exit the school grounds

### Lateral Flow Tests

We strongly recommend that all families make use of the twice weekly lateral flow tests. These can be ordered online at

<https://www.gov.uk/order-coronavirus-rapid-lateral-flow-tests> or you can collect them from Boots, Superdrug and Trescobeas Surgery.

**Please help us to end this academic year happily and together.**

## The Garden and Crowdfunding

We are really enjoying our beautiful school garden and continue to be extremely grateful to Zinnia for leading this wonderful project. If you haven't visited the garden for a while please wander over at the end of the day. We are always looking for willing volunteers to join the gardening team so please let myself or Zinnia know if you'd like to get involved.

As you know, the garden team successfully raised the funds for the garden project through crowdfunding. The crowdfunding team were so impressed with our project and the school community that they asked us to feature in their television commercial. The advert is now on national television but can also be viewed here:

## Happy Campers!

Our Year 4, Year 5 and Year 6s have had an exceptional time on camp this week.

We are extremely impressed with our Mawnan children for their excellent behaviour and attitude throughout the camp. The children have tried new things, risen to challenges and laughed a lot. They have been a genuine credit to the school and we are tremendously proud of them.

We would also like to say the biggest thank you ever to the amazing staff team and parent helpers who provided so much care, guidance and fun for the children. They will all need a well-deserved rest at the weekend!
