Happy Easter!

We have now reached the end of the Spring Term and what a term it has been! It hasn't been the easiest term due to COVID challenges but I am so proud of what we have achieved, the great times that we have had and the superb progress that the children have made. They are a true credit to you.

We are already looking forward to a busy Summer Term with less restrictions, better attendance, lots of whole school events and some lovely warm and dry weather. Our older children will definitely get their residential, we will get to enjoy a whole school sports day, the PTA are planning a summer fayre and we will be able to get out and about even more so we can learn about and appreciate where we live. It's going to be amazing!

Thank you to our children, their families, our talented staff team and governors for everything that you do to make Mawnan School such a fantastic learning community. Best wishes for a wonderful Easter Holiday with your awesome children. See you all on **Monday 25th April** for the start of Summer Term.

During the summer term, our fantastic pupils will be taking part in their statutory assessments. The statutory tests are part of our education system and we will thoroughly support the children so they can embrace the tests with confidence and positivity, enabling them to shine like the stars they are!

Reading over the holidays

We are so proud of the reading culture at Mawnan and want to thank you sincerely for reading every day at home with your children. Please continue this enjoyable journey over the holiday and visit our local library.

We are very fortunate to have a great library in Falmouth. It is free to join and your child can take out up to 10 books at a time to enjoy over the holidays.

Opening hours can be found here: <https://www.cornwall.gov.uk/libraries-museums-and-archives/libraries/your-local-library/falmouth-library/>

Ofsted Parent View

We would be incredibly grateful if you could complete the Ofsted Parent View online questionnaire.

Our Ofsted inspection window is wide open as our last inspection was in 2017. The information gathered through Parent View will play a valuable part of our next inspection. Thank you so much for your support with this.

Message in a Bottle Top

Please could everyone save plastic bottle tops because we will be taking part in the message in a bottle top project this summer. Throughout the project the children will learn about the damaging effects of plastic on the environment and animals we love. They will also use their creativity to repurpose plastic waste into something beautiful. There is a collection box by the front office.

New term...new menu!

We have been fortunate that our catering company have given the children some input on designing the new menu for next term. Please ensure that you book your child's school meals on parent pay ahead of the new term.

CHILDREN'S SAILING TRUST: EASTER ACTIVITIES

Easter is nearly upon us and here at the [Children's Sailing Trust](#) we're putting on lots of fun activities for local children and their families.

Our charity would really appreciate it if you could spread the word and send the attached leaflet out to your email database as soon as possible please, so that children aged 6 to 106 have the opportunity to take part in experiences that promote confidence and teach them skills for life.

We're based in a tranquil former quarry, hidden away in the wilds of Garras, Helston, where all sorts of water-based fun takes place (there's also the lakeside café for people-watching with coffee and cake) and our sailing courses are located along the beautiful Helford River.

Every activity booked helps support the Children's Sailing Trust in our mission of making water sports accessible to all. And to that end, we have plenty of accessible opportunities to get out on the lake in a safe and supported environment this Easter – and all year round.

Many thanks in anticipation and we hope you're looking forward to the holidays as much as we are!
